*\*Post BSN students must take graduate level courses to complete the 30 graduate semester credit hours required by the Graduate College. Twelve hours of required coursework must be taken as outlined in the schema as well as at least 12 hours in a focused area of graduate study as recommended by the student's faculty advisor in year one.*

*\*\* The remaining 6 hours may be taken while taking PhD courses. Focused graduate courses may include no more than 6 hours of independent study, directed study or research practica.*

*\*\*\*Proposal must be completed and defended before taking NPHD 9035 Dissertation Seminar.*
