<b>FNP Internship IV</b> (ANNP8089) 168 Clinical Hours	<ul style="list-style-type: none"> <li>Comprehensive history and physicals, and differential diagnoses of individuals and families across the lifespan</li> <li>Preparing interventions, plan of care and evaluation of care for the patient with acute and chronic conditions of individuals and families across the lifespan</li> <li>Implementation of the role of the advanced practice nurse</li> </ul>	<ul style="list-style-type: none"> <li>Clinics (hospital or community based)</li> <li>Private offices</li> <li>Internists</li> <li>Pediatricians</li> <li>Specialty offices (orthopedics, cardiology, dermatology, diabetic, etc.)</li> </ul>	VCF must practice Primary Care <ul style="list-style-type: none"> <li>NP</li> <li>FNP</li> <li>CNM</li> <li>WHNP</li> <li>AANP</li> <li>MD / DO (Family, Internal Medicine, OB/GYN, Peds)</li> </ul>

\* Please note: Persons with Certified Professional Midwife (CPM) credential must be reviewed on an individual basis. Please consult with Clinical Site Coordinator for appropriate next steps. Persons with Licensed Midwife (LM) or Certified Midwife (CM) credentials cannot serve as a preceptor.

- Acceptable Volunteer Clinical Faculty and acceptable practicum sites cannot be perceived to have a conflict of interest as relates to evaluation of the student. For example, acceptable Volunteer Clinical Faculty cannot be related to the student and may not work in the same department as the student. It is at the discretion of the program director which practicum sites and Volunteer Clinical Faculty are appropriate for clinical courses.
- It is acceptable to have more than one preceptor for each clinical course, but need to spend at the minimum 60 hours.
- Students must use a nurse practitioner for a minimum of 100 (of the 672 hours) clinical hours and students cannot use the same preceptor for all three semesters.
- To be enrolled in Practicum and Internship courses, a clinical site must be secured by the end of the second week of the term. If students have not secured a clinical site by this time, they are unlikely to be successful in completing the course requirements. To avoid financial penalty, and receive the 100% tuition refund, students must withdraw from the Internship or co-requisite Practicum and Seminar courses by the drop date for that specific term. Otherwise, students could be subject to administrative withdrawal and/or subject to failure of the courses for inability to meet course requirements.
